### **About UK ISEE:**

The University of Kentucky ISEE Chapter was formed in 2007. In 2010, the annual Clay Shoot fundraiser was started to provide funding to the organization as well as kick off the Kentucky Blasting Conference in Lexington, Kentucky. The funding will send student members to the National ISEE Conference held annually, as well as allow them to participate in other events throughout the year such as the annual float trip with the Missouri Science and Technology Chapter of ISEE and Community Outreach opportunities. This year the ISEE Annual Conference will take place in Savannah, Georgia from January 24th-28th, 2024.
